This writ petition is filed complaining about mining by 3rd respondent without proper license from other respondents. Learned counsel for the 3rd respondent submits that mining is stopped and the license is no more valid. It is further submitted that if 3rd respondent wants to start mining again, he will do it only after obtaining all statutory clearances from the authorities concerned. This submission is recorded and the writ petition is closed. In contrary to the submission made in court, if the 3rd respondent carries out mining at any time, there will be direction to other respondents to take immediate action on complaint from petitioners or from any other parties.
